Dear Parent/Guardian and Student:

The El Dorado Union High School District has organized this online Student Handbook to help answer questions you may have and to assist you in being informed about academic requirements, student services, student activities, individual school schedules, and much more. *The Annual Notification to Parents/Guardians*, which provides important information about Federal and California State laws relating to rights of parents/guardians and students, will be available online prior to the beginning of each new school year through the [Aeries Parent Portal](#). Families requiring a printed copy of the handbook can contact the school or District Office and it will be provided. *The Parents/Guardians Rights Acknowledgment Form* can be submitted via the Aeries Parent Portal. For families that do not have access to a computer or internet services, you can submit the *Parents/Guardians Rights Acknowledgment Form* directly to your school.

Parental/guardian involvement is critical during a student's high school years. After high quality teaching, the most significant contributor to student achievement in school is the support and encouragement of parents/guardians. This handbook is designed to strengthen our home-school partnership as we prepare our students for their post-high school educational goals and careers.

You will note there is a good deal of information in this handbook. I highly encourage you to take a few minutes to carefully read and review this publication.

You will receive other valuable information during the school year in periodic newsletters. We hope you find this handbook to be helpful in becoming more informed about both your school and the El Dorado Union High School District.

Best wishes for a successful school year!

Sincerely,

Ron Carruth, Ed.D.
Superintendent

Note: This document can be printed for parents/guardians by request at any school site.

Parent/Guardian Notifications

Annual Notification to Parents/Guardians

California Education Code (EC) requires that parents/guardians and students are notified of certain specific laws regarding rights and privileges.

To fulfill this notification requirement the El Dorado Union High School District will post the *Annual Notification to Parents/Guardians* to the Aeries Parent Portal and to the District Publications section of the [EDUHSD website](#). Families who do not have access to a computer can request a paper copy from the Counseling Office at their school. It is important that you read the material and sign the *Parents/Guardians Rights Acknowledgment Form* for your student to return to school.

Parents/guardians choosing to view the *Annual Notification to Parents/Guardians* handbook electronically can submit the *Parents/ Guardians Rights Acknowledgment Form*, via the [Aeries Parent Portal](#). The form is available on the [EDUHSD website](#).

School Accountability Report Card

EC 35256 requires the Board of Trustees to annually issue a School Accountability Report Card (SARC) for each school site, reporting all conditions listed in ECs 33126 and 41409.3. Pursuant to EC 33126, the goal of the SARC is to provide data by which parents/guardians can make meaningful comparisons between schools.

Each summer, the previous year's SARCs are accessible to parents/guardians via the [EDUHSD website](#) and the [County Office of Education](#) website.

Printed copies of a SARC may be requested through individual school sites or the District Office.

Williams Act

Every school must provide sufficient textbooks and instructional materials. Every student, including English Learners, must have textbooks or instructional materials, or both, to use at home or after school. School facilities must be clean, safe, and maintained in good repair. There should be no teacher vacancies or misassignments. A complaint may be filed alleging noncompliance with the requirement of EC 35292.6 to stock, at all times, at least half of the restrooms in the school with feminine hygiene products and to not charge students for the use of such products at any District school that meets a 40% pupil poverty threshold as specified in federal law. If a school is found to have deficiencies in these areas, and the school does not take corrective action, then a complaint form may be obtained at the school's administrative offices. Parents/guardians, students, teachers, or any member of the public may submit a complaint regarding these issues; however, it is highly encouraged that individuals express their concerns to the school principal before completing the complaint form to allow the school to respond to these concerns. The District's William Uniform Complaint Procedures will be followed for these types of complaints. Complaints may be filed anonymously.

*Completion, prior to grade 9, of algebra course work that meets or exceeds state academic content standards shall not exempt a student from the requirement to complete 2 mathematics courses (20 credits) in grades 9–12. (EC 51224.5)

**Union Mine and Virtual Academy will require 90 elective credits to meet graduation requirements in 2021/2022.

Guidance counselors are available at all campuses to provide assistance in planning a course of study. For additional information, please reference the Course Directory.

Certificate of Completion

Students with disabilities may be awarded a certificate of completion rather than a diploma as determined by their Individualized Education Plan (IEP). Parents/guardians may contact their child's special education case manager for information.

Graduation Requirements

Promotion/Retention of Students. Students shall progress through the grade levels by demonstrating growth in learning and meeting grade-level standards of expected student achievement. As early as possible, students at risk shall be identified, and a program of supplemental instruction shall be provided in accordance with District Board Policy 5123 and EC 48070–48070.5.

Because the prescribed course of study may not accommodate the needs of some students, the Board shall provide alternative means for the completion of prescribed courses in accordance with law. Students enrolled in comprehensive school sites with Individual Education Plans or English learner students may request a waiver from the Board of Trustees to meet the continuation school criteria and 220 credits requirement for

graduation. (EC 51225.3, AR/BP 6146.1, AR/BP 6146.11)

Grants for Advanced Placement Tests

Socioeconomically disadvantaged students may be eligible for state grants to cover the costs of advance placement examinations. Contact your counselor for eligibility information.

Scheduling Classes

New Students. New students should attend the **New Student Orientation** held prior to the opening of school. Check with the Counseling Office for dates and times.

Choosing Classes. Class schedules should be carefully chosen to ensure that students meet graduation requirements and have taken the prerequisites for college or career training. Counselors are available to assist students in making appropriate course choices.

In the spring, students receive information from counselors about courses being offered for the following year. Students have several days to discuss course offering information with their parents/guardians, teachers, and counselors before completing a form to sign up for the courses they wish to take. Parent/guardian signature is required on this form. Teachers must initial those classes that require teacher authorization. Forms are turned in to the Counseling Office where these requests are used to set up the master schedule of classes for the next school year.

Please consult your high school Counseling Office for class change procedures.

Class Loads. El Dorado, Ponderosa, and Oak Ridge students in grades 9–11 must be enrolled in a minimum of 60

credits per term. Seniors must be enrolled in a minimum of 50 credits per term.

Union Mine and Virtual Academy students in grades 9–12 must be enrolled in a minimum of 30 credits per term.

Grades

Letter Grades. Students receive letter grades of A, B, C, D, or F. Grades of pass or fail may be given at the Independent Study Program, in alternative education, or under special circumstances.

Course Credit. 5 credits will be awarded for any passing semester grade (A–D), unless the course has been approved for variable credit.

Honor Roll. The requirements for Honor Roll at each of the comprehensive sites may vary. *Check with your Counseling Office for details.*

Failing Grades. An “F” grade does not carry credit. Failing grades in any courses required for graduation must be made up as soon as practical for the student and the school.

Incomplete Grades. Incomplete grades must be made up within 4 weeks of the end of the grading period. After 4 weeks, the incomplete grade becomes a letter grade, based on the work completed. The student is responsible for making up an incomplete grade.

NM / NC Grade. Under special circumstances, a student may receive an NM or NC grade. NM signifies that a student has not been enrolled long enough for a grade to be determined. NC indicates that no credit has been earned. See Board Policy and Administrative Regulation 5121 for more information.

Transcripts. The Registrar maintains transcripts in the Counseling Office. Students can request that a transcript be sent to colleges, universities, and scholarship sponsors and

organizations by completing a Transcript Request form. Each school maintains a fee structure for transcript reproduction.

Calculating Grade Point Average (GPA). Using the semester grades on your past report cards for grades 9 and above, you can figure out your grade point average. Count all grades received.

Fill in the following:

No. of	Grade Points
_____ A's x 4 = _____	
_____ B's x 3 = _____	
_____ C's x 2 = _____	
_____ D's x 1 = _____	
_____ F's x 0 = _____	

To calculate your GPA for college, use only academic grades received ("a-g" list of courses). Check with your counselor.

A = 4 points	C = 2 points
B = 3 points	D = 1 point

Weighted Grades. Students who are enrolled in weighted courses will earn additional grade points. The following grade points are given for approved classes:

Report Cards and Schedule

Reports to Parents/Guardians.

8 grade reports are distributed electronically via the Aeries Parent Portal during the year; approximately 1 report every 4–5 weeks. This is twice the number of reports usually sent by high schools in California, but is done in the El Dorado Union High School District to help students, parent/guardians, and teachers determine and discuss student achievement more frequently. Parent/guardian may request paper copy report cards be mailed to the home by contacting the Counseling Office. Duplicate copies of all reports of student progress are available in the Counseling Office.

Parents/guardians may track their student(s) academic performance through the Aeries Parent Portal.

Mid-Quarter Progress Reports. With the exception of Union Mine High School, mid-quarter report cards are sent out electronically via the Aeries Parent Portal. These are not formal report cards, but an early indication of student progress in each class.

Students are encouraged to talk over any concerns with their teacher upon receipt of their mid-quarter progress report.

Quarter Reports. Quarterly grades are electronically mailed home in the middle of each semester to all students. These grades are formal reports on student progress in all classes. Quarter grades are not part of permanent student records and do not carry any credit, except for Union Mine High School.

Quarter grades at Union Mine High School are equivalent to semester grades. Quarter and semester grades are used to determine academic eligibility for extracurricular activities including athletics.

Semester Reports. Semester grades are electronically mailed home about 1 week after the end of each semester. Semester grades report a student's final credit and are considered permanent grades. These grades become part of the official school record (transcript) for each student and will count towards a student's overall GPA. Semester grades at Union Mine High School are end-of-course "term" grades.

Test Information

Achievement Tests

English Language Arts 11th Grade Smarter Balance Assessment. The exam consists of a computer adaptive test and a Performance Task (PT) based on the California State Standards. The computer adaptive section includes a range of item types, such as selected response, constructed response, table, fill-in, graphing, and so forth. The PTs are extended activities that measure a student's ability to integrate knowledge and skills across multiple standards.

English Language Arts California Alternative Assessment for 11th Grade.

Designed for students with the most significant cognitive disabilities whose active IEP designates the use of an alternate assessment in English Language Arts. The assessment is a computer-based two-stage adaptive test. The test is administered to students in a

one-on-one environment by a test examiner who is familiar with the student.

Mathematics 11th Grade Smarter Balanced Assessment. The exam consists of a computer adaptive test and a Performance Task (PT) based on the California State Standards. The computer adaptive section includes a range of item types, such as selected response, constructed response, table, fill-in, graphing, and so forth. The PTs are extended activities that measure a student's ability to integrate knowledge and skills across multiple standards.

Mathematics California Alternative Assessment. The exam for 11th grade students with the most significant cognitive disabilities whose active IEP designates the use of an alternate assessment in mathematics. The assessment is a computer-based two-stage adaptive test. The test is administered to students in a one-on-one environment by a test examiner who is familiar with the student.

California Science Test. The assessment is aligned with the California Next Generation Science Standards. The test includes stand-alone or discrete items and Performance Tasks (PTs). The discrete item types consist of selected response, constructed response, table, fill-in, graphing, and so forth. The PTs measure a student's ability to integrate knowledge and skills across multiple standards through extended activities. The test is taken in either the 11th or 12th grade.

California Alternative Assessment for Science.

Designed for students with the most significant cognitive disabilities whose active IEP designates the use of an alternate assessment in science. The assessment is a computer-based two-stage adaptive test. The test is administered to students in a one-on-one environment by a

test examiner who is familiar with the student.

English Language Proficiency (ELP) Exam (Initial to Summative). The required state test for English Language Proficiency (ELP) is given to students whose primary language is a language other than English. It consists of 2 separate ELP assessments: 1 for the initial identification of students as English Learners (ELs), and a second for the annual summative.

California Physical Fitness Test for 9th Grade.

Achievement of the fitness standards is based upon a score falling in the Healthy Fitness Zone (HFZ) for each of 6 fitness areas. The HFZ represents minimal levels of satisfactory achievement on the tasks. The goal is for students to achieve the HFZ for all 6 fitness areas of the physical fitness test.

High School Diploma Equivalency Exam

The California High School Proficiency Examination.

The California High School Proficiency Exam (CHSPE) is a voluntary test that assesses proficiency in basic reading, writing, and mathematics skills taught in public schools. Eligible students who pass the CHSPE are awarded a Certificate of Proficiency by the State Board of Education. A pupil who receives a Certificate of Proficiency may, with verified approval from the parent or legal guardian, leave high school early. The Certificate of Proficiency, however, is not equivalent to completing all course work required for regular graduation from high school. For more information, including administration dates and registration deadlines, visit the [California High School Proficiency Exam](#) website. See your counselor for more information.

The General Education Development Test. The General Education

Development Test (GED) is for adults who do not have a high school diploma. Those who pass the test receive a California High School Equivalency Certificate. If a student is under 18 years of age, the student must meet 1 of the following additional requirements:

- The individual must be within 60 days of their 18th birthday (regardless of school enrollment status).
- The individual is within 60 days of when the individual would have graduated from high school, had the individual remained in school and followed the usual course of study. Candidates testing under this criterion may not be enrolled in high school.
- The individual is 17 years of age; has been out of school for at least 60 consecutive days; and provides a letter of request for the test from the military, a postsecondary educational institution, or a prospective employer. The letter is to be provided to the test administrator at a local test center that delivers the GED® test for the administrator's review and approval.

Homework Make-up Conditions

Absence. A total of 2 school days will usually be allowed to make up assignments for each day of absence. Students absent due to school-sponsored activities may be required by a teacher to complete the work before the absence. A student absent on the day of a test may be required to take the test on the day of their return. If the absence falls on the day of an assignment due date that was known in advance by the student, the student may be required to submit the assignment upon the day of return.

If sufficient makeup time is not possible at the grading period, the teacher may issue an "I" (Incomplete) grade. The student has a maximum of 4 weeks after the grading period to complete all incomplete assignments.

Suspension. The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. A student is suspended for behavior and is given consequences for their actions; it is not the intent of the District Board of Trustees to use suspension as a method for punishing students academically. The teacher will assign homework within 48 hours of the first day of the suspension. The suspended student will be permitted to complete any assignments and tests missed during the suspension or receive assignments of equivalent value. All makeup work will be graded and assigned equivalent value (as compared to a student who is not suspended). All makeup assignments and homework will be counted toward the student's overall grade in the class. Students will be expected to complete makeup work within a reasonable period of time (not to exceed 2 days for each day of suspension).

Truancy/Unexcused

Absences. Students who miss schoolwork because of unexcused absences may be given the opportunity to make up missed work for full or reduced credit. Teachers shall assign such make up work as necessary to ensure academic progress.

Homework Guidelines

The daily amount of time required for homework will vary depending on the maturity, abilities, and individual needs of the student as well as the requirements of the course/subject.

Counseling and Career Planning Services

Counseling Department.

Parents/guardians are welcome to contact the counseling staff at any time. Please use the main school number at each site.

Counseling is available to all students regarding their high school career, further educational planning, vocational planning, and personal problems and concerns. Students are encouraged to take advantage of the counseling opportunities provided by the Counseling Office of their high school. Students may arrange to see their counselors by making an appointment at the front desk of the Counseling Office. Parents/guardians are encouraged to contact the Counseling Office if they have questions or concerns about their student's academic progress, postsecondary planning, and/or participation in activities.

The Career Center. The Career Center provides information about colleges, scholarships, and career opportunities for students. The Career Center maintains a library of current college catalogs and directories for student use and a computer college search program.

The Career Center has career exploration surveys and information on military careers, financial aid, summer programs, apprenticeship programs, vocational or trade schools, job placements, work permits, and state and federal labor law advisements.

How Can Students Use the Career Center? Classes may be brought to the Career Center for specific assignments.

Groups are invited to the Career Center for presentations, such as college or career speakers. These activities are announced in the principal's newsletter, the daily school bulletin, bulletin boards, counseling newsletter, and special newsletters, such as the senior newsletter.

Individuals may use the Career Center resources to obtain information on career options, college or trade school decisions, and high school education planning.

Students are invited to drop in or call to find out more information about Career Center resources, services and/or programs.

Computer-Assisted Career Program. The computer-based career search programs available in the Career Centers quickly provide information to help students make decisions about occupations (civilian and military), 2-year and 4-year colleges, graduate and professional schools, and sources of scholarships and financial aid. The information is up-to-date. The system is easy to operate, but the first time you use it, you will probably want to work with a career technician or someone who is familiar with the system. The system allows you to chart out a variety of career options for comparison.

Career Assessments. **Holland Self-Directed Search (SDS) web-based at Union Mine High School: Bridges, and Choices.** These career interest inventory assessments are given during the 9th or 10th grade career units. The counselor reviews the results with the student and parent/guardian during the 10th grade counseling conferences.

Armed Services Vocational Aptitude Battery (ASVAB). This multiple aptitude test is offered free of charge by the Department of Defense. The ASVAB can be used to estimate how well students perform in the following occupations:

- Mechanical and crafts
- Business and clerical

- Electronics and electrical
- Health
- Social
- Technology

STUDENT TRANSFERS

California law requires school districts to provide an education to any pupil who resides within the district's attendance area. Although pupils have the right to a free, public education, the law does not guarantee that a pupil can attend the school of their choice, or even the neighborhood school.

Intradistrict Transfers

There are 3 kinds of Intradistrict Attendance Applications: Comprehensive High School, Alternative Education and Open Enrollment.

Comprehensive High School Intradistrict Transfers.

Specific criteria are provided in Board Policy and Administrative Regulation 5116.2 that can be read in its entirety on the [EDUHSD website](#). Intradistrict transfer applications will be accepted January 4, 2022 through February 25, 2022 for the 2022-23 school year. Transfers will be reviewed during the month of March. One application will be considered during each application period; multiple applications will not be accepted. Late applications may not be considered. Upon approval by both schools and the Senior Director of Student Services and Innovation, a copy of the transfer request will be sent to the requested school and to the parents/guardians. In case of denial, a letter will be sent to the parents/guardians.

Alternative Education Intradistrict Transfers.

This application is generated by the parent/guardian or school of residence when it is determined that the student could be better served by an alternative school (e.g., behind in credits, etc.).

Further information is available from your school's Counseling Office.

Intradistrict Open Enrollment.

The Superintendent or designee shall establish procedures for the selection and transfer of students among District schools in accordance with law, Board Policy and Administrative Regulation. (AR.BP 5116.1). The Superintendent or designee shall annually identify those schools which may have space available for additional students. Availability of space is defined as a combination of factors, such as the educational and physical capacity of the school, growth patterns within the District, the existing racial and ethnic makeup of the schools, and projected staffing requirements.

For the 2022-23 school year, Oak Ridge and Ponderosa High Schools have projected enrollments that are near or exceed their established capacities. A limited open enrollment process will be announced in December 2021 for El Dorado and Union Mine High Schools for the 2022-23 school year to bring El Dorado and Union Mine High Schools to capacity following a review and approval by the Board of Trustees.

Interdistrict Transfers

The Governing Board has delegated authority to accept or reject Interdistrict transfer requests to the Superintendent and/or designee. School placement within the District will be at the discretion of the EDUHSD administration.

Interdistrict attendance requests must be received within the months of January and February preceding the school year for which the transfer is being requested.

A pupil may attend a school in a district other than the pupil's district of residence pursuant to an interdistrict agreement between the district of residence and district of desired attendance. Each school district has adopted policies regarding interdistrict attendance.

Parents/guardians wishing to register/admit/enroll their pupil at a school other than the designated school that is in their attendance area outside of their school district may obtain an application for interdistrict attendance transfer from the district of residence or county office of education. Interdistrict transfer agreements must be approved by both the pupil's original school district of residence and the school district to which the pupil seeks to transfer. The agreement may include terms or conditions. It is within the authority of either the school district of residence or the receiving school district to revoke an interdistrict transfer/reciprocal agreement at any time for any reason the school district governing board or school district superintendent deems appropriate. If a request for an interdistrict transfer agreement is denied, the pupil's parents/guardians may file an appeal to the county office of education in the pupil's school district of residence within 30 days of receipt of the official notice of denial of the transfer.

The following provide complete information regarding District-to-District transfers:

- Board Policy 5117
- Administrative Regulation 5117
- Education Code 46600-46601

Allen Transfer. Education Code section 48204(b) permits a school district to deem a pupil to have complied with the residency requirements for attendance in the school district if at least 1 parent or the legal guardian of the pupil is physically employed within the boundaries of that school district for a minimum of 10 hours during the school week. School districts within which at least one parent or the legal guardian of a pupil is employed are not required to admit the pupil to its schools. Once admitted to residency, the pupil's transfer may be revoked only if the parent/guardian ceases to be employed within the boundaries of the school district. As a resident, the pupil does not have to re-apply for the transfer to be valid in following years.

Transfer Out of EDUHSD.

Parents/guardians who live in the District and wish to have their student attend a school outside of EDUHSD must obtain an Interdistrict Attendance Application from the office of Student Services and Innovation. EDUHSD must approve this agreement before the parent/guardian sends it to the district that the student wishes to attend. Upon approval by both districts, a copy is sent to the requested school and the parents/guardians. In case of denial, a letter is sent to the parents/guardians.

General Services

Cafeteria Services

EDUHSD Breakfast and Lunch Program. The El Dorado Union High School District's Board of Trustees recognizes that healthy, nutritious food is essential to a student's health, development and ability to learn. The District provides a Breakfast and Lunch program, which is overseen by the USDA.

The EDUHSD Breakfast and Lunch Program will provide meals for all students through June 30, 2022 at no cost to families. Every student attending school is eligible for one free breakfast and one free lunch each school day. Students participating in the EDUHSD Online Distance Learning program may receive their Grab and Go Meals on Mondays at Union Mine High School from 8:45 a.m. to 9:45 a.m. (Distance Learning students will not be permitted to consume meal(s) in the cafeteria).

The EDUHSD Breakfast and Lunch Program and the Grab and Go Meal Program extend only to the meals served at Breakfast and Lunch. These programs do not apply to a la carte items.

In order to assist in planning for the number of students to be served, families are encouraged to submit the attached Household Income Data

Collection form or complete the form online at www.eduhsdnutrition.net.

A La Carte Payment Options.

A la carte items must be paid for at the time of purchase with either cash/check or through a prepaid MySchoolBucks.com account. Families are encouraged to consider establishing a MySchoolBucks.com online account where payments are simple, safe and secure 24 hours a day. The MySchoolBucks.com account will send a low balance alert when the account falls below the family designated amount. MySchoolBucks.com can send an alert to a designated cell phone as well. MySchoolBucks charges a \$2.75 service fee per transaction.

Point Of Sale (POS)-Pin Numbers.

The District Cafeterias use the eTrition "Touch n Serve" POS system. ALL students will be assigned a POS Pin number. Students can obtain their POS Pin number through the cafeteria or the District Office. Students input this pin# into the eTrition key pad or for touchless entry; they can scan their student ID card. In order to avoid potential misuse of a student's meal account, the POS system will display a photo of the student for the cashier to verify the correct student is using the lunch account. Cashiers will alert the student when their account balance drops below \$10.00.

Parental Controls. Parents/guardians can monitor their student's meal account through the MySchoolBucks program or they can request a meal account statement from the Food Services Supervisor or the receptionist at the District Office. A parent/guardian may call or email the Food Services Supervisor or the receptionist at the District Office to place a block on their student's meal account. Examples of a student Meal Account Block: Student may purchase one meal per day, student may spend \$5.00 a day, or student may not purchase a la carte items.

Cash/Check: You or your student can also add to their account by bringing money to the school. Please place

cash/check in an envelope clearly marked with your student's name, their ID# and the amount enclosed. Pre-paid deposits should be turned in to a cafeteria cashier(s) or to the school finance office.

Refunds: Parents/guardians can request a refund of their student's meal account funds at any time. Parents/guardians may call or email the receptionist at the EDUHSD District Office for a refund of their student's meal account balance. Service fees charged by MySchoolBucks are non-refundable. Refunds will be made by check only. We are unable to credit a charge account or debit card.

Sports

Refer to your school's website or contact the Athletic Department at your school for specific information on sports programs.

Sports Eligibility. Schools in the District have strong sports programs. In order to participate in sports programs, students must earn at least a grade point average of "C" (2.0 GPA) and maintain satisfactory progress toward graduation requirements. Incomplete "I" grades are not calculated as passing. Grades shall be averaged without regard to plus or minus signs. Weighted grades will not be used. Each high school has an appeal committee in the event a student does not meet the criteria for eligibility. A written appeal must be presented within 2 school days after an athlete has been notified of ineligibility. The committee will respond with a written decision within 1 week.

All 9th grade students are eligible the first quarter.
Life Fitness II Options. Exceptions for student athletes to the Life Fitness II curriculum may be based on pre-determined criteria. Contact your counselor for more information.

Sports Participation Donation. The District believes that athletic activities are important for our young people. We appreciate the support and

assistance that parents/guardians and the community provide with their \$95.00 per sport donation and individual team fundraising opportunities. No student shall be required to pay a fee, deposit, or other charge or raise a specified amount of money in order to participate in an activity sponsored by a school-related organization.

**EDUHS
 4675 Missouri Flat Rd.

Student Attendance and Behavior

Attendance Policies

Learning and achievement are directly related to consistent, on time attendance in class. Good attendance is a prerequisite to satisfactory job performance. The same holds true for school. Class time missed cannot be fully replaced with makeup assignments. Students who are absent from a class for more than 20% of the time, for any reason, probably will not be able to pass the class.

State fund apportionments to schools are based on actual student attendance. Therefore, our schools experience a loss of income for any students not in attendance, whether the absence is excused or un-excused.

Compulsory education laws require schools to collect notes

and verify absences. Although excused absences no longer count toward ADA, attendance clerks will continue to verify absences and report attendance for compulsory education purposes and truancy determination.

Report Absence.

Parents/guardians, please call the Attendance Office between 7:30 a.m. and 10:00 a.m. to report an absence.

Attendance Office Phone Numbers:

El Dorado HS	(530) 622-3634 Ext. 1011
Oak Ridge HS	(916) 933-6980 Or (530) 677-4402 Select Option 2
Ponderosa HS	(530) 677-2281 Ext. 2215
Union Mine HS	(530) 621-4003 Select Option 1
Independence HS	(530) 622-7090 Ext. 7132
Virtual Academy	(530) 622-6212

Attendance Accounting. A computerized attendance accounting system is used at each school. In order for the system to work properly, it is important that parents/guardians call the Attendance Office to report all student absences or submit a written note upon the student's return to school. The note should contain the following information:

- Full name of student
- Date of absence
- Reason for absence
- Name and/or identity of person providing information
- Date of note

Notification of Tardiness or Unexcused Absences. When a student is absent for a full day and the absence has not been verified as excused, the Attendance Office will attempt to contact the parent/guardian within 48 hours. If the absence is unexcused, a consequence, such as detention, will be assigned. Parents/guardians of

students who are repeatedly tardy or truant will be contacted. Contact will be made by either telephone, email, or text message using ParentSquare.

Parent/Guardian Contact.

Parents/guardians may request to have all school correspondence mailed to their work address. Parents/guardians may also request that all phone calls regarding attendance be made during the day. These options may be requested in writing to the Attendance Office. Include the appropriate addresses, email and phone numbers.

Attendance Errors. Students aware of an error in reporting their absence should obtain written verification from the teacher and return it to the Attendance Office.

Procedure for Readmission to Class. When a student is absent from a class, the student must submit a written note from their parent/guardian to the attendance clerk. Students should submit notes either at least 10 minutes prior to first period or immediately upon arrival.

Early Dismissal. If a student must leave school early for any reason, the student must sign out in the Attendance Office prior to departure.

Failure to do so will result in an assignment of detention. Parent/guardian approval is required for early dismissal.

Tardies. Students are given sufficient time to travel between classes and are expected to be seated before the tardy bell rings. Being on time is an important habit for students to develop. Students who arrive late to class are responsible for being sure that the teacher has corrected the attendance record. Students who are habitually tardy to class are subject to disciplinary action taken by their teacher or assistant principal. Students who are more than 10 minutes late to class are marked absent but must remain in class to

participate in the learning process and to comply with state law. Students should clear the absence with the attendance clerk and their teacher.

Legally Excused Absences.

Excused absences are those due to illness, injury, medical and dental appointments, funeral services for a member of the immediate family, quarantine, court appearance, observance of religious holiday/ceremony/retreat, employment conference or when the student is the custodial parent/guardian of a sick child.

Unexcused Absences.

Unexcused absences are absences that are verified by the parent/guardian, but are not considered excused (according to state law). It is the parent/guardian's responsibility to send their student to school until the student is 18 years old.

Truant Absences. Students are classified as truant if they are absent from school without a valid excuse for 3 full days in 1 school year; or tardy or absent for more than any 30-minute period during the school day (without a valid excuse) on 3 occasions in 1 school year; or any combination thereof.

For a student reported as a habitual truant, referral may be made to the School Attendance Review Board (SARB), which has the option of filing an application for petition with the El Dorado County Probation Department, or a complaint may be filed against the parent/guardian in the Justice Court.

SARB (School Attendance Review Board).

A student may be referred to the El Dorado County SARB for agency and community assistance if the student has persistent problems in school relating to attendance. The referral will be made to SARB if and when the normal avenues of classroom, school, and District counseling do not resolve the situation. SARB will bring all the resources in the

community together to address the student's attendance problem and develop an appropriate plan of action.

Chronic/Prolonged Illness.

Counselors should be notified as soon as possible about extensive absences caused by health conditions. Verification from a health care provider and/or the Chronic Illness Form 5141.21E may be required for frequent absences due to illness. Parents/guardians should contact the school to obtain homework. If a long-term illness or temporary disability (2 or more weeks) is experienced, the parent/guardian should arrange for Home and Hospital instruction through the Counseling Office.

18-Year-Old Student Absences.

The State of California has determined that 18-year-old high school students are legal adults and have the same rights as parents/guardians to excuse absences. Thus, 18-year-old students may excuse their own absences. Many 18-year-old students are mature enough to exercise this responsibility, but some are not. If any student, including 18-year-olds, accumulates excessive absences additional verification from the parent/guardian and/or doctor may be required to excuse absences. All regular attendance rules still apply.

Closed Campus. The Board of Trustees requires students to remain on campus until the end of the school day including lunch periods. Written authorization from parent/guardian and/or permission from school authorities is required for an off campus pass.

Student Behavior Expectations

In keeping with EC 48900, the District strives to maintain a positive learning environment for all students.

Parents/guardians and students should note that students are accountable for their behavior related to school activity or attendance which occur at any time, including, but not limited to, while on school grounds (including school parking lots and street parking near campus), while going to or coming from school, during the lunch period, whether on or off campus, during or while going to or coming from a school-sponsored activity.

School rules and procedures established to maintain positive student behavior are given to students each year through the *Annual Notification to Parents/Guardians* handbook. This publication includes excerpts of District policies and law that describe major violations, which could jeopardize a student's privileges of attending a particular school in the District.

The District and its schools prohibit unlawful discrimination, cyberbullying, bullying, intimidation, and harassment of any student. Students and parents/guardians should report such incidents to the school administration.

Use this publication as a guide and resource in conjunction with the *Annual Notification to Parents/Guardians* handbook, and District policies, which can be found on the [EDUHSD website](#).

Discipline

Suspension

Suspension means the student has so seriously violated the necessary rules of the school that the student temporarily loses the right to a public education. Parents/guardians of a suspended student are strongly encouraged to require

their student to accomplish a significant amount of work for the family or for others during the suspension. Parents/guardians determine whether suspension becomes a "free" day for the student.

The principal shall impose suspension only when other means of correction fail to bring about proper conduct. However, a student, including an individual with exceptional needs, as defined in EC 56026, may be suspended for any of the reasons enumerated in EC Section 48900 upon a first offense, if the principal or superintendent of schools determines that the student violated any of the subdivisions (a through e) of section 48900 or the student's presence causes a danger to themselves, other students, and/or staff.

Expulsion

Expulsion means the student has so seriously violated the rules needed for the school and other students that the student loses the right to an education provided by the District, usually for at least the current semester and 1 more. At the end of the expulsion term, the student has the right to a meeting to determine whether or not the student will be readmitted to school.

For more information concerning suspension and/or the expulsion process, please refer to the *Annual Notification to Parents/Guardians* handbook and/or District Board Policy/Administrative Regulation 5144.1.

Suspension from Class.

A teacher may suspend a student from class for the remainder of the day and the following day for disruption, willful defiance, or any of the other act specified in Grounds for Suspension and Expulsion. A teacher also may refer a student to the principal or designee for consideration of suspension from school.

Smoking or Use of Tobacco, Nicotine Products or Vaping Devices. No school shall permit smoking or the use of tobacco, or any product containing tobacco or nicotine products, by

students of the school while the students are on campus, or while attending school-sponsored activities or while under the supervision and control of school District employees. Note: This includes electronic cigarettes, electronic hookahs, and other vapor-emitting devices, with or without nicotine content, that mimic the use of tobacco products.

The State and District believe that the use of tobacco and related substances are injurious to a student's health. Medical findings of the U.S. Surgeon General provide that, "*Cigarette smoking is the chief preventable cause of death in our society today.*" As a result, the Board has banned the possession or use of tobacco and related substances from District high schools. Students who possess or use tobacco or related substances can expect the following consequences:

First Offense:

Confiscation of tobacco or other substance: Parents/ guardians are notified. The student is assigned to Saturday School.

Second Offense:

Confiscation of tobacco or other substance: The student receives in-house suspension. A parent/guardian/student conference is held.

Third Offense:

Confiscation of tobacco: 2-day suspension and parents/guardians are notified.

Fourth Offense:

Confiscation of tobacco: 5-Day suspension and student and parents/ guardians are informed that another offense means involuntary transfer.

Fifth Offense:

For confiscation of tobacco: involuntary transfer to Alternative Education.

Regional Occupational Program (ROP)

Website: <http://www.eduhsd.net>

The Central Sierra Regional Occupational Program (CSROP) provides students the opportunity to progress through a sequence of courses that offer skills needed to qualify for and succeed in postsecondary job training for their chosen career (i.e., technical/vocational program, community college, apprenticeship or significant on-the-job training). CSROP provides course concentrations and advanced training through its "capstone" courses. The primary mission of CSROP is to prepare students for skilled and higher wage careers needed in the El Dorado County/Sacramento region. Upon successful completion of a CSROP course, students receive a certificate indicating industry-specific competencies mastered. Students may also earn a "Work Ready" certificate that informs potential employers that a student demonstrates outstanding personal qualities.

CSROP courses may be used to meet high school graduation requirements, and some courses are articulated with community colleges allowing students to earn college credit while still in high school. A number of courses prepare students for state or national industry-recognized certifications.

To learn more about the industry sector CSROP programs, please visit the [EDUHSD website](http://www.eduhsd.net). For registration information, call:
