Jobs and Internships! Watch for more postings or stop by the Career Center!

VA's Career Center has a NEW VA Google Career Center website. It will be sent out to all the local businesses that have been mentoring our intern students for over fifteen years! A survey has been attached for new businesses who are hiring or would like to be part of our Internship Program. Once it is

updated with local jobs and internship fields it will be shared with our students. If you know of a company or work for a company that would be interested, call or email Ms. Haley in the Career Center.
