All skill levels welcome!

Free!

July 8 through July 26 (three weeks)	FL2-238 (Math Center) MON-FRI 12:00-2:50 PM
---	--

Math Boot Camp at Folsom Lake College is a short course designed to help students build math confidence and prepare students with specific math skills for success in future math courses. The Math Boot Camp is facilitated by an instructor and student tutors who assist students on an individual basis. Each student works at their own pace to build and review math skills.

Boost your math skills!
