NEW DIRECTOR AT PCA

It has been such a privilege to step into the role of Acting Director here at Pacific Crest Academy! Most recently, I was serving as an Assistant Principal at Ponderosa High School, where I had oversight of technology, testing, ISP, Intersession, and ASB Leadership. Prior to my career in administration, I had the opportunity to teach a variety of subjects in a variety of school settings, from Spanish and Leadership at Ponderosa to Math at a bilingual public school in San Francisco, and Spanish and Computer Technology at a private school in Chiapas, Mexico. I earned my doctorate degree in Organizational Change and Leadership through a hybrid online/in-person program at the University of Southern California, so I have personally enjoyed the benefits of a hybrid learning environment and am excited to support and promote the amazing program here at PCA! I was born and raised here in El Dorado County and am now raising my two children here, who are 2.5 years and 9 months old. I look forward to getting to know each individual student and this community as a whole!

Amanda Petersen, Ed.D.
